Dear Ms Nguyen

**Request for Trading Halt – QRxPharma Limited (QRxPharma)**

In accordance with Listing Rule 17.1, QRxPharma requests a trading halt in its ordinary securities listed on the ASX from the commencement of trading on Wednesday, 20 July 2011.

QRxPharma advises the following, as required under Listing Rule 17.1:

1. the trading halt is necessary as QRxPharma proposes to make an announcement to the market in relation to a potential capital raising;
2. QRxPharma is preparing a series of presentations which will be made to potential investors in the capital raising – once finalised the information presented to investors will be announced to the ASX;
3. QRxPharma wishes the trading halt to last until an announcement on the results of the capital raising is released – expected to be the commencement of normal trading on Friday, 22 July 2011;
4. it is not aware of any reason why the trading halt should not be granted by the ASX and is not aware of any other information that is necessary to inform the market about the trading halt.

Please contact me if you have any queries.

Yours sincerely
